

With the help of Greenbrier parents, the Alliance for Community Choice in Transportation identified the following preferred walking routes (marked in red) that families currently use to get to Greenbrier. We highlighted areas with sidewalks or walking trails to help you find the safest and most convenient way to get to school. We hope that you will use this map to join other families in your neighborhood who walk to school. If you would like to share your walking route with us, please call the ACCT office at 295-6554. Happy walking!
