Charlottesville High School
Named One of
America's Best High Schools
by Newsweek Magazine

Charlottesville High School ranked number 485 of 1,000 top high schools in the nation. Schools are ranked according to a ratio: number of Advanced Placement or International Baccalaureate tests taken, divided by the number of graduating seniors. We are proud of our high school students, teachers, and staff and know that they will continue to work hard to maximize the academic potential of all of our students.
