SCHOOL CENSUS

The School Board shall assure that, every three years, at a time to be designated by the Superintendent of Public Instruction, a census is taken of all persons residing within the School Division who, on or before December 31 immediately following the census, will have reached their fifth birthday but not their twentieth birthday on forms furnished by the Superintendent of Public Instruction.

On the recommendation of the School Division superintendent, the Board shall appoint agents to take the census. Each agent shall receive compensation for his or her services from School Division funds, in an amount to be fixed by the Charlottesville City School Board. A reasonable travel allowance may be allowed at the discretion of the Board.
